WORK EXPERIENCE

RODD & GUNN

Ho Chi Minh City, Vietnam

E-commerce Specialist

07/2025 - 06/2026

- Managed onsite ecommerce merchandising, including product categorization, sorting, placement, and content updates to improve product visibility and customer experience on websites.
- Edited and updated HTML code using Visual Studio for Salesforce Commerce Cloud content assets, ensuring campaign pages, promotional banners, and ecommerce content displayed correctly across the website.
- Maintained and updated promotional copy, image links, landing page content, SEO text, and campaign-related website elements.
- Supported onsite SEO execution by optimizing product/category content, metadata, keywords, internal links, and page structure on Salesforce Commerce Cloud.
- Conducted keyword research, competitor review, and on-page optimization to support organic search performance and ecommerce growth.
- Checked and fixed content errors before deployment, including broken links, formatting issues, missing images, incorrect product information, and inconsistent campaign messaging.
- Coordinated with ecommerce, inventory, and product teams to ensure accurate and timely product listings, especially for new product launches and seasonal collections.
- Monitored ecommerce and SEO performance using Google Analytics and SEO tools, turning data into practical recommendations for traffic, visibility, and conversion improvement.
- Supported email marketing campaign build-outs and ecommerce operations tasks to meet commercial objectives.
- Worked closely with the Head of Ecommerce Operations, Ecommerce Specialists, technical operations teams, and external SEO agencies to deliver SEO and merchandising initiatives on time.
